EXECUTIVE SUMMARY

This proposed ordinance repeals section 3.104(1) Regulations as to Parking at County Building in Beloit. Since the County no longer owns the building, this ordinance is not needed.

This proposed ordinance also repeals current section 3.212 Fish and Game Restrictions and recreates section 3.212 Shining Animals; Possession of Live Wild Animals. The current ordinance, because of a confusing format and changes in the Wisconsin Statutes it was based upon, became unenforceable. The proposed ordinance preserves the intent of the former ordinance but in a format that provides for clarity and ease of reporting. It is not necessary to spell out each permutation of the statutes nor the definitions therein since by publication thereof, each person is conclusively presumed to know what the proscribed activity is.
