Executive Summary

Our new nursing home will require interior signage to identify room locations and to give directions for travel throughout the facility. Badger State Industries has the State bid #15-80176-501 for interior signage and installation.

We have been working with Poblacki Sign Company to plan for the exact number and location of signs. The contract estimate for signage and installation is \$21,379.00. Once the signs are installed, we may decide that additional signage is needed and are requesting that a contract be awarded to Badger State Industries not to exceed \$25,000 for interior signage for our new facility.
