The selection committee is particularly looking for information on the broad contributions the candidate has made to the community, in addition to their employment contributions.”

Mr. Osborne said the Committee can select up to three inductees to the 2016 Hall of Honor. Generally the process is to review and discuss qualifications and decide on the number of people you would like to recommend. NAME OF NOMINEE: Harry Hauke Sr.
ADDRESS: 4306 W. Lowry Rd.
Janesville WI 53548
TELEPHONE: (608) 754-9105

SIGNIFICANT CONTRIBUTIONS TO ROCK COUNTY AND ITS PEOPLE:

VOLUNTEER: My grandfather has volunteered for years, alongside my Aunt Christine Janisch, delivering meals on wheels. His time in the military instilled a need to make sure people were fed. This is why my grandfather also donates a large amount of oatmeal to the salvation Army every year. As he likes to say, "I saw too many people starving overseas. No one should starve. Oatmeal is a cheap way to feed a lot of people."

LEADERSHIP: Being a father of 14 children, means that you must inherently have some leadership (even though it was really my grandmother who ran the show), but my grandfather's leadership was on full display when building the "Where Tears Run Deep" walkway at Rotary Gardens. My grandfather donated the necessary money to build the walkway, and rallied his rather large family to provide the physical labor to install it. This walkway was incredibly important to my grandfather.

ENTREPRENEURIAL: My grandparents ran a family farm in Rock County for many years. My grandfather still lives there. While running the farm, my grandfather also worked until retirement at Fairbanks Morse. This work history provided him with the funding needed for his volunteer work now. A saying that sticks in my mind is when he told me, "It's not how much money you make, it's what you do with it."

OTHER CONTRIBUTIONS: My grandfather served in World War II as a paratrooper. This experience, along with losing a child, has largely shaped who he is today. While being a grandfather is not necessarily a benefit to the county, it is a job in itself. There are currently over 100 grandchildren and great-grandchildren, and he has proven to be a great example for us all. He has also donated benches to area schools.

BRIEF STATEMENT: "It's not how much money you make, it's what you do with it." This statement sums up a person's life. My grandfather saved for years to support his large family. And now, he is taking the time to give back. I don't know his net worth, and frankly, I don't need to know. But I do know his worth. My grandfather is a kind man. He is the smartest man I know. ~~97~~ 97 years of life experience has taught him so much. I just hope we get a chance to learn as much as possible before he leaves us.

NAME OF NOMINEE: Sandra Kraft

TELEPHONE: 608-751-6249

SIGNIFICANT CONTRIBUTIONS TO ROCK COUNTY AND ITS PEOPLE:

VOLUNTEER: Volunteer, Friends of Noah: Treasurer; Led creation of the Rock Co. Rabies Clinic with Friends of Noah, 2013.

Lois Crowin, Creator of Friends of Noah, told us about Sandy's long-term active volunteer work with the group. She was elected the group's Treasurer mid-2016 and has faithfully served in that office to date. She worked with the group to support the Rock Co. Public Health Department's Rabies Clinic. Significant combination of her professional and volunteer involvements!

Certificate of Citizen of Rock Co. presented by Rock Co. Sheriff – recognizing Sandy's creating and managing flood related station during the major flood of 2009.

Sandy is a very modest person who has done a GREAT DEAL OF GOOD without special recognitions. She did receive recognition from Rock Co. Sheriff for her volunteer work creating and managing flood related station during the major flood of 2009 and her personal sandbagging work.

LEADERSHIP:

Retiring Rock Co. Supervisor – elected 2000, retiring 2018. Vice-chair for 10 years. Professional career with WI state certifications as Municipal Clerk, Municipal Treasurer, Certified Public Manager and Certified Parliamentarian.

Treasurer, Town of Fulton, 1986-1993

Clerk/Treasurer, Town of Fulton, 1993-2000

Clerk/Treasurer, City of Evansville, 2000-2005

ENTREPRENEURIAL:

Sandy has demonstrated very sincere interest in and been supportive of others in every involvement she's had. Talking with persons who've worked with her in both professional and personal situations, we've heard again and again illustrations of her encouraging spirit!

Sandy has worked conscientiously as a mentor of members of the Rock Co. Board with special attention to newly elected supervisors. She mentors through her availability and listening ear made valuable by her own experience.

Sandy has been an active advocate for and supporter of women and girls throughout her life. She took special action last year to get the Rock Co. Board to pass a resolution celebrating the 95th anniversary of the Rock Co. YWCA on November 16, 2017.

Sandy is a role model in both her profession serving as Clerk/Treasurer for public municipalities as well as Rock Co. Board Supervisor. Talking with the founder of Friends of Noah, Lois Corwin, we were told of her significant role model in that volunteer group.

FOR SURE! Sandy has been an open and accepting person of ALL persons regardless of race, religion, economic or social status, gender or sexual orientation. A key contribution she's made is in mentoring leaders for Rock Co. Board!

OTHER CONTRIBUTIONS:

She was 1 of only 7 women on the Rock County Board with 29 supervisors. Women supervisors are only 24% of our Rock County Board! Sandy has mentored women to run for election to the Rock Co. Board and helped them gain valuable leadership roles on the Board once elected.

She has been a VERY active and committed participant as the single Board representative on the Criminal Justice Coordinating Council (CJCC) since its creation which was noted in responses, we got from former Rock Co. Administrator, Craig Knutson and other Rock Co. leaders. She has been PROactive for the special courts and programs created to make our Rock Co. judicial system more equitable for ALL persons. It is important to note that the special courts have included: Drug, Veterans and OWI. Rock Co. has received state and national recognition for its leadership in providing for special treatment courts. Sandy has been a strong advocate for the treatment courts.

BRIEF STATEMENT:

Marilyn, my wife, & I know Sandy Kraft very, very well as a close friend for 46-years - since we moved onto Cox Road in the Town of Fulton in June 1973. We've known her as someone we could count on. If Sandy gave her word, she would carry through with it. She has worked most of her life in the public sector doing her work diligently and quietly treating all people with kindness and respect.

One way to describe Sandy is to say that she is very modest. She is not one to boast of her many accomplishments thus she often does not get the kind of recognition she so richly deserves. The many years that she has worked at the township, city and county level, she has served Rock County faithfully with her integrity and ability to work with all types of people.

When the town of Fulton built a new town hall, Sandy was serving there as town clerk/treasurer and played an important role in the design of the new building. She is extremely hard working and dedicated to whatever project she sets out to do.

Hi Marilyn, I have two email addresses for you so will send this to both of them, please let me know that you received these as well as the email I sent to you on Wednesday.

I've been apart from County Board now for quite some time so bear with me and I ask that you fill in some of the dates and correct various commentary as is necessary as my home resource's are very limited. I hope the following is what "they" are looking for, if not cut and paste. Thank you.

I had the priviledge of working along side Sandy Kraft on the Rock County Board for 10 of her 18 years that she served on the County Board. Sandy served ten years as Vice Chair of the County Board.

Sandy was a dedicated hardworking official always representing her Distrjct #3 to the fullest as well as all of Rock Counties citizenary. Sandy was appointed to the position of Committee Chair of the Board of Health and as such she did a outstanding job. Sandy further served as VC on the County Staff Committee and VC of the County Finance Committee where she displayed a wide ranging knowledge of issue's coming before those committee's. Sandy served on various other County Committee's, Commissions and Boards and she was always prepared with her keen skillset of knowledge on the issue's at hand.

Sandy Kraft attended numerous Wisconsin Counties State Conference's and Conventions always seeking to gain additonal education and knowledge of matters effecting Rock Counties best interest.

Serving along with Supervisor Kraft was indeed an honor and to this date I am proud to say she is a good friend and a willing helping hand where ever and whenever called upon.

ENTREPRENEURIAL: _____

Professionally, Parks Director with Janesville, Tom has been involved with ground level planning and development of Rotary Gardens, the Youth Sports Complex, Kiwanis Park, the Kiwanis Trail and Optimist Park. He was involved in the acquisition of the North-East Regional Park and led the development of the Peace Park within Rockport Park. Tom has been recognized by his peers as "Parks Professional of the Year" from the Wisconsin Park and Recreation Association. He also received the National Park Service "Public Partner of the Year" award for his service to the Ice Age Trail Alliance.

OTHER CONTRIBUTIONS: _____

I have worked with Tom as a volunteer on numerous projects in the parks, on trails projects, in cleanup efforts after floods, on Rock County Parks projects and in many other capacities. I have seen him deal positively with conflicts and diplomatically resolving Not In My Backyard situations. He listens. He resolves. He handles difficult situations with professionalism, compassion and grace. Tom sees a need and organizes a group to address it. He is the consummate professional. In his capacity on the Rock County Parks Advisory Committee his wisdom and advice are respected by the supervisors on the Parks Committee and Parks Directors.

Tom envisioned the Friends of Rock County Parks and got it organized and established so parks volunteers from around the county can share ideas and occasionally work on joint projects.

Tom is making something better for Rock County almost every day. He is very deserving of the Hall of Honor.

J. Russell Podzilni, Chairman
Rock County Board

Dear Chairman Podzilni and Hall of Honor Committee:

Enclosed is the nomination for Tom Presny for the 2019 Rock County Hall of Honor. Please excuse my cut and paste approach to filling out the mandatory form, since a recent shoulder surgery my handwriting is almost illegible – even to me.

We hope Tom gets top consideration for this honor. He is a lifelong community servant and volunteer. His leadership skills keep the rest of us on our toes trying to complete whatever service project Tom dreamed up last. Currently he is working on arches at the ends of the Peace Trail to better establish the trail identity and to provide photo-opportunities for trail users and the general public.

His contributions will make Rock County even more of a tourist destination than it is now.

Thank you for your consideration.
