Updates.

Discussion on Emergency Management Siren System Sgt. Kohler went over the four maps and explained the replacement of the sirens from the 1960s and 1970s. She said the new sirens have a range/coverage that is about three times greater than the ones being replaced. Sgt. Kohler said she is anticipating replacing one siren for each of the next two years – one in Edgerton and one in Turtle.

Supervisor Owens said it would be nice to see a map with the coverage circle overlays. Sgt. Kohler said she has one but it did not turn out in the smaller size.
