AGENCY RECOMMENDATION

- 11. If you answered Approve With Conditions to 10., list conditions:**
- 3. Proposed lots lines shall included POWTS area with the buildings that utilize the system.
 - 4. Note of final CSM: "No buildings which produce wastewater are allowed on Lot 2 until acceptable means of
 - 5. wastewater disposal is approved by the necessary government agencies."
 - 6. Dedicate 40-foot half road right of way along Hwy M adjacent to Lot 1 and 33-foot half road right way adjacent to Lot 2.
 - 7. The parent parcel is currently Zoned A1 by the Town of Union. Based on the proposed size and use of Lot 1, a rezone is being requested.
 - 8. Final CSM shall be submitted to and approved by the Agency one year after preliminary approval.
 - 9. CSM's subject to local approval shall be recorded with the Rock Co. Register of Deeds within 6 months of their last approval.
 - 10.

12. Agency recommendation rationale and findings of fact:

The proposed Land Division creates two lots from an existing 32 acre parcel in Union Township. Lot 1 will include approximately 3.1 acres with an existing residence and other buildings and Lot 2 will contain ag land and no buildings. The parent parcel is currently zoned Agricultural District One (A1) by the Town of Union and the future land use for the parcel is Agriculture. The A1 District is certified by DATCP for the Farmland Preservation Program. The proposed lot size for the new lot requires a rezone, therefore a proposed change to the Town's Agricultural District Three (A3) has been requested from the Town. Upon reviewing such a request, the Town should consider the standards/requirements included in the Zoning Ordinance to rezone lands in the Farmland Preservation District, where applicable.

County Hwy M is not an access controlled highway in this area.
 This land division is within the ETJ review area for the City of Evansville.
