June 12, 2010 – Old Fashioned Square Dance & Lunch Box Social

11 AM - 4 PM at Beckman Mill County Park – Pavilion. Dress up in vintage attire (if you have it) and dance to old time music or bring a lawn chair and enjoy the music and fun. For details call Fran at 608-762-3954 or Sue at 608-751-1557 or go to www.beckmanmill@yahoo.com.

June 16, 2010 – Rock County Pork Producers Porkfest

Held at the Rock County Fairgrounds

NOTE: It is possible that at any of the above listed events a quorum of a governmental body may be present, however, no business of that governmental body will be conducted.

Note: When you fill out the white, half sheet per diem please leave the bottom line open for the County Board Chair to sign off on. If you need the Committee Chair to sign off on a per diem, have them initial after your name or on the line for attending meeting lasting longer than 4 hours. New per diem sheets will be available for you shortly.

Any Supervisor who finds himself/herself near the Courthouse on a Friday around 2:30 P.M. may stop in and pick up their weekly packet.

As a way to cut County costs and to be more “earth friendly” we now have the full agendas and minutes for the County meetings on the County’s website at www.co.rock.wi.us. On the home page go to the far right, under the weather area is a listing of the meetings for the week. Click on the meeting of your choice and it will bring up a page showing the dates for the agenda/minutes, click on the green checkmark and it will open the document. You may then print any or all pages you wish. If you would like save even more County funds you could receive your packet in this manner - e-mail (marilyn@co.rock.wi.us) or call me (757-5510). Thank you.

Happy Birthday this month to Supervisor

Green Tips of the Week: Interest in gardening has surged as people realize the many benefits of homegrown produce. Not sure how to get started? 1) Plan Your Garden – Choose a location that gets at least 6-8 hours of sun, is protected from wind, and is away from trees. Vegetables need loamy, well-drained soil. Prepare the ground by clearing it of weeds and debris and turning it to a depth of 12-inches. A 10x16 foot plot can feed a family of 4 for the summer. If you don’t have the space, use pots, hanging baskets/boxes, or rent a garden plot. 2) Tomatoes - Dig a hole the size of a basketball, add some compost and eggshells (for calcium), plant the seedling up to the 4th branch from the top. Give it lots of water at first to ease the shock of transplant. After that, 1-3 inches of water per week should suffice. Eventually, you will need to install support for the growing vines.
