EXECUTIVE SUMMARY

For many years, the Developmental Disabilities Board has managed the contract with CESA-2 to run the state mandated Birth-to-Three program. With the transition to Family Care, this program will still be a County responsibility. This resolution transfers the administration, budget authority, and contract monitoring functions to the Human Services Department. This is consistent with what is outlined in the 2017 Recommended Budget and meets the State's request that the Rock County Board approve the transfer of the Birth-to-Three contract from DD to HSD.
