County Administrator

**ACCEPTING ADDITIONAL HUD LEAD HAZARD REDUCTION
DEMONSTRATION GRANT FUNDS AND
AMENDING THE 2012 ROCK COUNTY HEALTH DEPARTMENT BUDGET**

EXECUTIVE SUMMARY

The Rock County Health Department had originally been awarded a HUD Lead Hazard Reduction Demonstration (LHRD) Grant in the amount of \$24,000 for the period from 1/1/10 through 12/14/12.

The State of Wisconsin has now awarded the Rock County Health Department additional funding of \$15,187 for this grant.

This additional funding will allow the Rock County Health Department to continue to provide the following services to prevent childhood lead poisoning in Rock County:

1. Provide risk assessments to identify and evaluate lead paint hazards in homes built prior to 1950 and occupied by infants and young children (approximately 70 per year).
2. Educate parents of young children about risk reduction, nutrition, and lead hazard mitigation.
3. Provide blood lead tests for children at risk for lead poisoning.
4. Conduct environmental investigations in response to reports of lead exposure or in response to requests.

Using HUD Lead Hazard Reduction Demonstration funds under contract with the Wisconsin Department of Health Services, Rock County Health Department will refer families with young children living in older housing to housing agencies in Rock County to apply for HUD funds to repair lead hazards. These agencies are: Cities of Beloit and Janesville, Rock County Planning & Development, and Community Action Inc. of Rock and Walworth Counties.
