Executive Summary

Awarding Bid for Bandt Communications Inc. for Equipment Installation of New Squads

The Rock County Sheriff's Office previously performed their own electrical squad equipment installation on their new squads. With the retirement last year of qualified personnel at the Sheriff's Office, they now have no one employed who is qualified to fully complete the electrical portion of the installation for each new squad.

By contracting with Bandt Communication Inc., they will be able to complete the electrical wiring of all our equipment, for all our new squads.

The low bidder for the equipment installation was Bandt Communications Inc., with a bid of \$1,860.00 per squad.
