**AGENCY RECOMMENDATION**

- 11. If you answered Approve With Conditions to 10., list conditions:**
- 3. Proposed lot lines shall include the POWTS area with the building that utilizes the system area.
  - 4. Final CSM shall be submitted to and approved by the Agency one year after preliminary approval.

  - 6.
  - 7.
  - 8.
  - 9.
  - 10.

**12. Agency recommendation rationale and findings of fact:**  
 The proposed Land Division separates approximately 4.9 acres and the buildings from the parent parcel. A rezone would be required as per the Town's Zoning Ordinance, from A1 to A3, as indicated on the application.  
  
 When acting on a Land Division similar in nature to the proposed, a number of Towns in Rock County are managing future non-farm development through the use of a deed restriction on the parent parcel. The Town could consider similar action on a portion or all of this parent parcel, which will consist of approximately 177 acres remaining after the Land Division.
