**PURCHASING ADDITIONAL ZOLL AUTOMATED EXTERNAL
DEFIBRILLATORS (AED'S) FOR THE ROCK COUNTY SHERIFF'S OFFICE PATROL SQUADS**

EXECUTIVE SUMMARY

The Rock County Sheriff's Office, in an effort to service the citizens of Rock County more effectively and efficiently, is purchasing ten (10) additional Zoll AEDs from Cardio Partner. These ten (10) will be added to our current system, and give us a total of twenty-four (24). These AEDs are "fully automated" and allow for a more precise diagnosis.

The Zoll AED is a top of the line piece of equipment, designed to assist in saving the life of a person suffering from Sudden Cardiac Arrest (SCA), whether they require a shock or not. Unique to ZOLL AEDs is a real-time feedback mechanism, known as Real CPR Help[®], which allows rescuers to see and hear how well they are performing the rate and depth of chest compressions during CPR. Real CPR Help, includes a metronome set at the America Heart Association (AHA) recommended 100 bpm and a screen display which helps rescuers achieve optimum rate and depth of compression levels through audible and/or visual prompts.

Each AED is listed at \$1,325 through Cardio Partner on their Wisconsin State Contract #505ENT-O11-AEDANDACCS-04. There will be \$100 cost for shipping. The funding will come from the Sheriff's Office 2017 budgeted capital account 67160.
