Executive Summary

Awarding Contract for the Furniture Installation in the District Attorney's Office space located in the Courthouse

This resolution is awarding the contract for the furniture installation in the newly renovated District Attorney's Office space. Several of the open workstations will be required to be replaced to size being smaller for the newly designed space. The cost for this furniture is \$145,000.

Rock County bids out furniture suppliers. Hendricksen out of Brookfield WI is the winning bidder for Rock County furniture supplier. Hendricksen negotiated a Tier III pricing for this project with OMNIA, R19101, 4 & 11 who holds the state contract pricing for furniture contract # 505-ENT-M2C -Office furniture. The tier III provides a higher discount.
