URGENT MEMORANDUM

DATE: October 4, 2021

TO: Rock Haven Residents and Families

FROM: Natalie Rolling Edlebeck, Nursing Home Administrator

RE: Visitations

Dear Rock Haven Residents and Families:

We have completed a round of testing for residents of Sandstone West and all staff. We have not identified any spread from our first case on Sandstone West. Our second case has not had close contact on the resident units.

At this time, we are able to allow in-room visits on Sandstone East and both Limestone East and West. Visits on Sandstone West will need to be held outdoors or on the outer vestibules.

Our website <https://www.signupgenius.com/go/10c0d48a9ad28a4fec34-personal> is open for scheduling visits, regardless of the type. Please be prepared to screen prior to any contact with our residents, regardless of the visit type. If you are feeling ill or have a fever, please refrain from coming to the facility.

We hope to allow in-room visits on Sandstone West next week.

We will continue to provide updates with as much information as we can on our efforts to combat COVID-19 and how we are best caring for our residents.

Please feel free to contact Marilyn Burns RN Infection Preventionist 608-757-5166 with any questions or concerns.

Thank you,

Natalie Rolling Edlebeck
