Executive Summary**Amending the Sheriff's 2011 Budget to
Use Equitably Shared Funds**

The Department of Justice Asset Forfeiture Program is a nationwide law enforcement initiative that removes the tools of crime from criminal organizations and deprives wrongdoers of the proceeds of their crimes. Federal law authorizes the Attorney General to share federally forfeited property with participating state and local law enforcement agencies.

Equitably shared funds are required to be used by law enforcement agencies for law enforcement purposes only. The intent of the transfer is to enhance law enforcement. It must increase, not supplant the recipient's appropriated operating budget.

In addition to equitably shared funds, the Sheriff's Office received \$360 from the sale of seized property.

The Sheriff's Office plans to use \$640 of equitably shared funds and \$360 of metro-seized funds to purchase a used SMART board. A SMART board is an interactive board which combines the simplicity of a whiteboard with the power of a computer. The board will be used for incident command planning and training purposes.
