FOR IMMEDIATE RELEASE

July 9, 2020

Janesville, Wisconsin...Jim Babcock, Rock County Construction Superintendent, announced that CTH F will be closed to through traffic for road rehabilitation efforts beginning Wednesday, July 15, 2020. The project limits for the CTH F project will be from USH 14 north to just south of Indianford. The work will consist of a culvert replacements, excavation work, curve realignments, pulverizing and asphalt paving. The rehabilitated roadway will include 12' driving lanes, 3' paved shoulders, new drainage culverts, and improvements in both vertical and horizontal curves to meet current safety standards. Weather depending, CTH F is expected to be reopened by mid to late October 2020. A detour route will be posted for through traffic, however the road will be open to local traffic and emergency vehicles.
