**URGENT MEMORANDUM**

**DATE:** October 13, 2021

**TO:** Rock Haven Residents and Families

**FROM:** Natalie Rolling Edlebeck, Nursing Home Administrator

**RE:** COVID19 outbreak

Dear Rock Haven Residents and Families:

We are happy to announce that our Sandstone West unit has completed all testing required to assure there has been no spread from a recent COVID case. We may now allow in-room visits on this unit, as well as continue in-room visits on the other units. We continue to have several staff that show symptoms that may be COVID related. We continue to quarantine these staff members and testing is required.

Please continue to sign up for visits using our website using the link below.

<https://www.signupgenius.com/go/10c0d48a9ad28a4fec34-personal> We will make every effort to see that visitations continue in a safe environment. Please be prepared to screen prior to any contact with our residents, regardless of the visit type. If you are feeling ill or have a fever, please refrain from coming to the facility.

By having scheduled visits, we are able to have better tracking of who is in the facility and who has contact with your loved one. If you are having difficulty using the website, please contact Melanie Godding at 608-757-5308. We do have the ability to alter visit times on a case by case basis if a special need arises.

We will continue to provide updates with as much information as we can on our efforts to combat COVID-19 and how we are best caring for our residents.

Please feel free to contact Marilyn Burns RN Infection Preventionist at 608-757-5166 with any questions or concerns regarding COVID-19.

Thank you,

*Natalie Rolling Edlebeck*
