Invitation to Bid was advertised in the Beloit Daily News and on the internet. One additional vendor was solicited that did not respond.

Bids were requested from qualified contractors to establish a 3-year cycle of Preventative Maintenance for the county-wide 40-siren system. The 3-year cycle will split the 40 sirens between three years with 13 or 14 sirens being completed each calendar year.

Preventative maintenance for each siren will consist of inspection, testing and parts replacement. The contracted vendor will identify areas of concern and make recommendations.
