Significant Event Review-

Discussions ensued regarding the Chemtool explosion in Rockton, IL and the impacts on Rock County.

Old Business

Sgt. Shena Kohler discussed the SIMCOM exercise for 2021 has been cancelled. She also discussed waiting on having the DNR join our meeting until they have their Spills 101 pilot program is complete.

Budget Report

The budget report was unavailable at the time of the meeting.

Spill Report

The spill report was provided.

Training

Sgt. Shena Kohler Rock County are slated to host the following classes in 2022:

- Critical Incident Management- January 11-13, 2022
- ICS 300- February 22-24, 2022
- Public Information Officer- May 4-5, 2022

Class registration and additional classes offered outside of Rock County can be found at www.trainingwisconsin.org.

She also discussed the WEMA conference being held in-person this year October 20-21, 2021 with preconference training being held at the same location October 18-19, 2021. Information and registration can be found at <https://wemaus.wpcomstaging.com/2021-wema-conference/>.

New Business:

The Administrative- Plan of Work subcommittee will meet before the full member LEPC September 21, 2021 at 8:45 a.

Sgt. Kohler discussed an upcoming mapping presentation, by Joe Hanson with Critical Response Group, at our September meeting.

Rock County Emergency Management

Sgt. Shena Kohler discussed that Emergency Management still has a pretty large stock of PPE within their department and brought discussions regarding the idea of townships beginning to maintain their own stockpile for their residents.

Rock County Hazmat Team:

Lieutenant Jason Daskam discussed upcoming team trainings with different municipalities throughout the county. He also discussed some recent incidents.

EPCRA Planning Facilities & Public Health:

Jared Hergert brought forward one off-site plan update, three battery plan updates, and one battery plan removal. Plans will be sent, reviewed, and signed electronically.

- Battery Plan Updates
 - AT&T – Beloit
 - AT&T – Evansville
 - AT&T – Janesville
- Battery Plan Removal
 - Rock River Generating Station
- Off-site Plan Update
 - Riverside Energy Center

Rick Wietersen reported that COVID-19 is still the forefront of their work. He reported current declining case data, vaccination data, and discussed the new delta variant.

Roundtable

- Chair Swenarski- Robert Swenarski reported current mask requirements and dining restrictions within SSM Health, St. Mary's Janesville Hospital.
- Vice Chair Miller- Patti Miller reported on recent storm damage within the City of Beloit.
- Subcommittees- None
- Group 1- Elected Officials- None
- Group 2- Health Safety and Transportation- None
- Group 3- Media- None
