PROCLAIMING JULY AS PARKS AND RECREATION MONTH

Executive Summary

Since 1985, America has celebrated July as the nation's official Park and Recreation Month. A program of the National Recreation and Park Association (NRPA) and the America's Backyard initiative, the goal is to raise awareness of the vital impact that parks, recreation, and conservation have on communities across the United States. Each July, the National Park and Recreation Association (NRPA) encourages Parks and Recreation Agencies across the country to kick-off summer programs, promote outdoor recreation, natural resource areas and open spaces, and pull together volunteers to make their outdoor spaces a thriving center of community activity.

This year's theme is "Get Wild!" NRPA is encouraging members, agencies, and citizens to plan events and initiatives that remind local decision makers and the community of the exciting and vital role that parks and recreation play in the lives of Americans and how they make their lives extraordinary.
