- Fig 11 Represents the East 9th post
- Bus O. 24 N 17 1/2 W 15.55 links
 - " " 14 S 38 1/4 W 7.77
 - " 10 " 20 N 60 E 8.4
 - " " 18 N 70 W 19.5

Variation on the Compass 7 1/2 Degrees

The above survey was made Joseph Church
May 24th 1855 County Surveyor

Remarks I find on the Record a survey by T Mc
Name of the same line which is entirely wrong the
System of his Surveying does not correspond with mine
I find the Stake Equally divided and being on the North
Townline where the Sec occurs Joseph Church
County Surveyor
