DISCRETIONARY TRAFFIC MAINTENANCE AGREEMENT

ROCK COUNTY

CALENDAR YEAR 2012

The State of Wisconsin Department of Transportation (hereafter called the Department) authorizes the maintenance project herein described, and the above designated County, represented by its County Highway Committee and Highway Commissioner, agrees to perform such operations and furnish such materials as listed below. It is understood that the maintenance services authorized under this agreement shall be accomplished in compliance with state and federal law and under the general direction of the Department. Payment for services provided under this agreement shall be made to the County based on actual labor, including fringe benefit costs, machinery allowances as specified in the current MAINTENANCE MANUAL, CHAPTER 5, and material purchases authorized by the Department. Such payment shall be made upon presentation of accounts itemized and verified in accordance with regulations of the Department.

In connection with the services provided under this agreement, the County agrees not to discriminate against any employee or applicant for employment because of sex, age, race, religion, color, handicap, physical condition, developmental disability as defined in s.51.05(5), sexual orientation, or national origin. This provision shall include, but not be limited to the following: employment upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The County further agrees to post in a conspicuous place, available for employees and applicants for employment, notices setting forth these provisions.

The disclaimer language as contained in the State Highway Maintenance Manual is included in this agreement by reference. The County is obligated to provide services under this agreement only to the extent it receives Department funding for the same. The Department recognizes that the County does not warrant that maintenance funds provided by the Department are sufficient to provide for a uniform level of service or standard of state highway maintenance applicable to all situations. Certain factors, including but not limited to, weather restrictions and funding or labor shortages, may make universal, year-round compliance with the goals expressed within this manual impossible to achieve.

- EXECUTIVE SUMMARY -  
**AUTHORIZING APPLICATION WITH  
WISCONSIN DEPARTMENT OF NATURAL RESOURCES  
FOR WARREN KNOWLES-GAYLORD NELSON STEWARDSHIP GRANT FUNDS**

The Rock County Parks, Outdoor Recreation, and Open Space (POROS) Plan implementation schedule identifies land development of the recently acquired Turtle Creek Parkway near the Tiffany five arch stone bridge as a priority project. In order to move forward on this project, the Parks Division desires to apply for Department of Natural Resources Stewardship Funds. If the application is successful, the grant funds will be used to develop and enhance the property and the viewing of the Tiffany Bridge.

The grant being applied for requires a 50/50 match of local funds. The anticipated project is \$140,000, of which approximately \$70,000 would be Stewardship Funds. The \$70,000 local match would be taken from the 2012 Park's Capital Budget.

Should the grant be successful, further action from the Board would be required to authorize Turtle Creek Parkway land and building improvement projects and appropriate funding.

**- EXECUTIVE SUMMARY -**  
**AUTHORIZING APPLICATION WITH**  
**WISCONSIN DEPARTMENT OF NATURAL RESOURCES**  
**FOR WARREN KNOWLES-GAYLORD NELSON STEWARDSHIP GRANT FUNDS FOR MAGNOLIA**  
**BLUFF TRAILS PROJECT**

We are in the final stages of developing a master plan for Magnolia Bluff Park. One of the focuses of this master plan is making the trail system sustainable, including maintenance on existing trails and re-routing portions of the trail.

In order to move forward on this project, the Parks Division desires to apply for Department of Natural Resources Recreational Trails Stewardship Funds. This grant program prioritizes projects that rehabilitate existing trails.

The grant being applied for requires a 50/50 match of local funds. The anticipated project is a maximum of \$90,000, of which approximately \$45,000 would be Stewardship Funds. The exact dollar amount will be determined upon completion of the Magnolia Bluff Park Master Plan. The local match would be budgeted in the 2013 Park's Capital Budget.

Should the grant be successful, further action from the Board would be required to authorize Magnolia Bluff Trail improvement project and appropriate funding.
