Page 20 and 21 of Record

We the Commissioners of Highways of the Town of Center, Rock County, Wisconsin Territory, do hereby certify that upon the application of six or more freeholders of said town asking for the laying out of a public highway in said town from the Southeast corner of Section 3 in Township No. 2, Range 11 East; thence North on the East line of said Section 2 the Northeast corner of said section and from the Southwest corner of the East half of the East half of Section 34 in Township 3 Range 11 East on the West line of said East half of the East half of said Section 34 to the North line of said Section 34. We caused notices in writing to be posted up in the three of the most public places of said town specifying the commencement and route of the proposed highway the several tracts of land through which the same was proposed to be laid so far as known and the time and place at which we would meet to make examination and survey of said highway which notices we posted up as aforesaid at least six days or more before said meeting and three days or more before said meeting required a copy of said notices to be served or left at the house of each resident upon the lands proposed to be crossed by said road. And we do further certify that being fully satisfied that the notices required by law have been given pursuant to statute. We on the 24<sup>th</sup> day of March, 1847 it being the day specified in the said notices met at the place appointed therein we examined the route of said proposed highway, heard all reasons offered for or against laying out the same, were of the opinion that such highway was necessary and proper and proceeded to lay out the same and caused a description of said road to be made which description is in the words and figures following: Beginning at the Southeast corner of Section 3, Range 11 East and running North on the East line of said Section 3,;the Northeast corner of said Section 3 and from the Southwest corner of the East half of the East half of Section 34 Township 3 Range 11 East North on the West line of said East half of the East half of said Section 34 to the North line of said Section 34 said road is four rods in width.
