 - i. Discussion & Possible Action – Approval of Bid Award for Asphalt Milling/Pulverizing
8. Next Parks Meeting Date: Tuesday, March 10, 2020 at 8:00 a.m. at Department of Public Works.
9. Adjournment

Certified Playground Safety Inspector

The Certified Playground Safety Inspector (CPSI) certification program is the most comprehensive training program on playground hazard identification and risk management methods offered nationwide. By becoming a CPSI, you will learn to identify hazards on public playgrounds and playground equipment, how to rank those hazards according to injury potential and how to apply that knowledge and establish a playground safety program.

Why Become a CPSI?

- Learn from **expert instructors** and network with other professionals from the field.
- Protect children from injury due to playground hazards.
- Reduce your agency's liability.

How Do You Become a CPSI?

To become a CPSI, you must successfully pass the CPSI exam. The CPSI exam consists of 100 questions, 95 scored and 5 unscored pre-test.

Classroom Course & Exam

The CPSI course is a two-day instructor led course, with the exam being administered on the third day. Course attendees will gain practical, hands-on training on how to apply the ASTM standards and the CPSC guidelines to playground environments. **The course covers the material necessary to prepare for the CPSI exam on the third day.** Candidates will be notified of their score approximately three to four weeks following the exam. Attendees can also **earn 1.5 CEUs** upon completion of the course. The CPSI certification is valid for **three** years.

CPSI Candidates can register for the course including the exam, but there is also the option to register for the course only (without the exam) or the exam only. Candidates are highly encouraged to attend the course for initial certification. Signing up for the classroom course only takes a few steps and there are courses offered all over the country.

February 3, 2020

Dear Grant Committee,

As a Government agency with a limited budget for our Parks, we are blessed with our Friends groups who raise money for improvements to our parks. The Rock County Multi Use Trail Group is an organization who works towards maintaining new and existing trails in Rock County that serves many diverse interests with consideration for safety and the environment. They are a dedicated group of volunteers who contribute their time and money to improve Rock County Parks.

We support the Rock County Multi Use Trail Group applying for a grant to install a well at Gibbs Lake Park Horse Lot. A constant supply of clean fresh water for a horse is an essential element in good horse care. Horses should always have drinking water available. The well will provide a safe place for the horses to drink water and will prevent dehydration. This addition would be a great amenity to the park.

Please give this proposal your full consideration. If you have any questions I can answer, feel free to contact me at 608-757-5451 or John.Traynor@co.rock.wi.us.

Thank you,

A handwritten signature in black ink, appearing to read "John Traynor".

-EXECUTIVE SUMMARY-

AUTHORIZING PURCHASE OF MOTOR POOL VEHICLES
FOR THE ROCK COUNTY DEPARTMENT OF PUBLIC WORKS

The purpose of this resolution is to authorize the purchase of one (1) 2020 SUV. This 2020 Ford Escape SUV will be an addition to the motor pool replacing a 2012 Chevrolet Impala currently utilized by the Health Department. An upgrade to a small SUV was requested due to the use of these vehicles for water testing and the occasional need for 4-wheel drive.

Therefore, it is recommended that one (1) 2020 Ford Escape SUV be acquired from the current best bid on the State Vehicle bid program, through Ewald Automotive Group of Hartford, Wisconsin.

-EXECUTIVE SUMMARY-

AUTHORIZING PURCHASE OF MOTOR POOL VEHICLES
FOR THE ROCK COUNTY DEPARTMENT OF PUBLIC WORKS

The purpose of this resolution is to authorize the purchase of three (3) 2020 Dodge Grand Caravans to be utilized by the Rock County Human Services Department, Rock County ARDC and Rock County AODA/Treatment Court. The vehicle to be utilized by the Rock County Human Services Department will be a replacement for MP 4, a 2012 Chevrolet Impala with 89,492 miles, this Impala may be reintroduced into the fleet as a loaner vehicle. The vehicles for the Rock County ARDC and Rock County AODA will be new additions to the motor pool.

Therefore, it is recommended that three (3) 2019 Dodge Grand Caravans be acquired from the current best bid on the State Vehicle bid program, through Ewald Automotive Group of Oconomowoc, Wisconsin.

Respectfully submitted,

Duane M. Jorgenson Jr., P.E.
Director of Public Works

Rock County Department of Public Works
Division of Highways – Issue Paper
Bid Number: DPW-2019-9B

ISSUE: Purchase of one (1) Tandem Axle Truck body, plow, wing and spreader.

DISCUSSION: This Tandem Axle Truck body will be mounted on a Tandem Axle Truck chassis for use on County roads and highways for maintenance and winter operations.

A quote was solicited through the Sourcewell purchasing cooperative using Monroe Truck Equipment contract number #080114-MTE

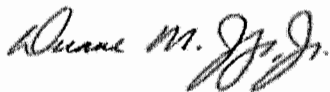

The results are as follows:

<u>Company</u>	<u>Manufacture</u>	<u>Bid Price</u>
Monroe Truck Equip.	Monroe	\$128,766.00

RECOMMENDATIONS:

This quote meets our specifications for a body with plow, wing, and spreader. I recommend the purchase of one (1) Tandem Axle Truck body, plow, wing, and spreader from Monroe Truck Equipment at a total cost of \$128,766.00.

Respectfully submitted,

Duane Jorgenson, Director of Public Works

**Rock County Department of Public Works
