Old Business

Capt. Maurer distributed handouts provided by Nick Elmer, Highway Shop. The handouts provided the following reviews:

Northbound on Henke:

- Moved stop ahead sign to correct distance from intersection
- Upsized stop ahead sign and stop sign from 30" to 36"
- Added spin alerts to both the stop ahead and stop sign

Eastbound on CTH BT:

- Added a stop ahead sign and stop sign, so that both sides of east bound CTH BT had signage approaching CTH S
- Upsized the (2) stop ahead signs and (2) stop signs from 30" to 36"
- Added reflective striping and spin alerts to the vertical posts on all (4) signs.

Curve on CTH H, north of Condon Road was reviewed with WisDOT state rep

- Changed spacing on chevrons from 80' to 60', adding more chevrons and installed reflective striping on the vertical posts
- Added 2nd curve ahead sign, upsized both curve ahead signs from 30" to 36", and added spin alerts

Ryan Mayer advises the WisDOT sign shop will be reviewing signage at Hwy 14 and Emerald Grove in the next day or two.

New Business

Randy Wiessinger reports the Rock County 5 year average for fatality crashes is 20. Rock County has 30 fatality crashes to date. There have been 129 fatality crashes involving pedestrians from 2016-2018.

Hank Brill reiterated the need for a review of the intersection at Avalon and CTY J. The group will discuss the report at the next quarterly meeting.

Bill Miller reported on the number of wrong way drivers at the roundabout at I43 NB and Hart Road. A suggestion was made to add both a no right turn and do not enter sign at the roundabout.

Randy Wiessinger advised the group on the policy project to compile a county-wide database based on information from Place of Last Drink, The TSC will discuss the project at the next quarterly meeting.
