SURVEYOR'S AFFIDAVIT:

STATE OF WISCONSIN)
WALWORTH COUNTY) SS

I hereby certify that I searched the area and excavated the area around the fence corner and I found what I considered good evidence of an old stake adjacent to the 6" steel post that is set in concrete. The fence line to the North shows evidence of having been in place for a very long time judging by the ground build up at the fence line, placed a 6" X 9" X 36" Concrete County Monument at the 1/4 Section corner.
