• SEPTEMBER 2018 - HSD IMPACT AWARD

By Kate Luster

This month's HSD Impact Award goes to **Denise Pozzani!** Denise works for the Behavioral Health Division's Community Support Program at the Eclipse Center in Beloit. She was nominated by the Beloit CSP Team.

"Denise has worked for Rock County as an Administrative Assistant for 40 years! She has been with BCC and BCSP for over 30 of those years. She is always pleasant and reliable for both staff and consumers. Being on 'the front line,' she often assists with de-escalating consumers and other challenging tasks.

Denise creates birthday cards for each and every CSP consumer and makes sure they are signed by all staff and mailed on time. For some consumers, this is the only celebration they get.

Denise takes endless calls from consumers for a variety of reasons, even if someone is just feeling lonely and looking for support.

Denise never complains and never has a negative attitude. She is the heart and soul of BCSP. We are so lucky to have her.

**Also, the AAs have been moving with the BACHC transition so Denise has had added responsibilities multiple days per week. This has been stressful, but she continues to do excellent work."*

Congratulations, Denise! Thank you for your many years of service and your dedication to exemplifying the Department's mission!
