MEMORANDUM

TO: ROCK COUNTY AGRICULTURE & EXTENSION EDUCATION
COMMITTEE

FROM: CHRISTINE WEN, AREA EXTENSION DIRECTOR

SUBJECT: POSITIVE YOUTH DEVELOPMENT EXTENSION EDUCATOR

DATE: NOVEMBER 29, 2018

CC: JOSH SMITH, ROCK COUNTY ADMINISTRATOR

Attached is the draft Rock County Positive Youth Development Extension Educator (PYDEE) position description. Most of the document cannot be changed, however, we can adapt the bullet points under "Initial Programming Focus" to meet county specific needs. As you'll notice, I've added five bullet points to this section that are highlighted in yellow. I choose these five based of feedback that I've received and from the youth needs assessment that Nancy Brooks completed earlier this year.

I want to ensure the committee that the PYDEE will work directly with the 4-H Coordinator to identify specific needs within the 4-H program and may provide leadership to specific 4-H programs such as officer training, volunteer training, and Volunteer in Preparation Training. Of course, our young people that participate in 4-H also often benefit from community opportunities offered outside the 4-H program, and programs created by PYDEE may translate into expanding access to new 4-H members and/or the formation of new clubs.

I look forward to speaking to the committee further about this. Please feel free contact me if there are questions at christine.wen@ces.uwex.edu or 262-379-9431.

Rock County Committee Statement on Fairgrounds

The Rock County Facilities Master Plan identifies a series of upgrades to the current fairgrounds located at 1301 Craig Avenue, Janesville, WI. The Rock County Board of Supervisors in the recent adoption of the 2019 budget took the 1st step towards enhancing the asset by allocating \$200,000 for asphalt parking replacement. The Plan calls for a range of improvements totaling from \$5 million to \$15 million, subject to various options.

Rock County Board of Supervisor Richard Bostwick, District #24 and Chairman of the Rock County Agriculture and Extension Education Committee stated, "Periodically, community conversations have looked into moving the location. Yet, the end result of each of these studies and or community discussions resulted in keeping the fairgrounds at its current location. The upgrades in the Master Plan address safety, efficiency and aesthetic issues and frankly, many of which have been neglected for far too long." The Rock County Agriculture and Extension Education Committee has oversight of the Rock County Fairgrounds.

Randy Thompson, President of the 4H Fair Association Board of Directors which utilizes the fairgrounds during July for the annual county fair stated, "From the County Fair Board perspective, we are supportive of the County's commitment to make improvements to the grounds. All the improvements will have a positive impact on our ability to maintain and grow the County Fair". He noted that the fair will be held July 23 – 28, 2019.

Rock County Board of Supervisors Chairman J. Russell Podzilni stated, "Having recently reviewed the Rock County Facilities Master Plan that identifies a number of improvements to the fairgrounds, and the unanimous decision of the Agriculture and Extension Education Committee not to pursue relocation of the Rock County Fairgrounds, I have no intention of accepting a motion or resolution to move the Rock County Fairgrounds, unless something totally unexpected is presented to the County."
