Of a Survey on Section.....T.....R.....E. of the 4 P. M. in.....Township

Rock County, Wisconsin, made.....the.....19.....

I hereby certify that the following is a correct record of said survey as made by me.

COUNTY BUILDING 1  
CITY OF JAMESVILLE

County Surveyor.

HISTORY BOOK: "Rock County Wisconsin in a New History of its Cities, Villages, Towns, Citizens, and Varied Interests, from the Earliest Times, Up to Date" by William Fiske Brown, MA,D.D., published by C.F. Cooper & Co., Chicago 1908. Information on pages 373 and 374 titled "History of Rock County", the elected County Officials.

County Surveyors' Record: Six volumes of surveys performed by the County Surveyors.

Records indicate the term was for 2 years. There appears to be an inconsistency in a few of the election dates and the names of the County Surveyor. To ensure accuracy a research should be made of the election results published in the old Gazette newspaper.
