

PLAT AND RECORD

Of a Survey on Section.....T.....R.....E. of the 4 P. M. in.....Township

Rock County, Wisconsin, made Feb the 4 192011

I hereby certify that the following is a correct record of said survey as made by me.

Donald James

County Surveyor.

10F 7 SEE VOL 6 PG 472

The history book: "Rock County Wisconsin in a New History of its Cities, Villages, Towns, Citizens, and Varied Interests, from the Earliest Times, Up to Date" by William Fiske Brown, MA, D.D." published by C.F. Cooper & Co., Chicago 1908 was used and referred to as source "HISTORY BOOK". Information on pages 373 and 374 titled "History of Rock County", the elected County Officials. Janesville (Wis.). (341). Bissell and Dougherty; compilers, Editor.

Another book used is the "Janesville Fire Department: souvenir published in the interest of the Firemen's Relief Association Gazette Printing Co., 1902 165 p. : ill.; 18 x 26 cm." This digital book is on the Hedberg Public Library site. I referred to it under source as "JANESVILLE FIRE DEPARTMENT SOUVENIR PUBLISHED".

I also used the County Surveyors' Record books, the six volumes of surveys performed by the County Surveyors. Other sources were found, used, and referenced under source.

The Wisconsin Blue Book is digitized and available at <http://digicoll.library.wisc.edu/cgi-bin/WI/WI-idx?type=browse&scope=WI.BlueBks>.

Records indicate the term was for 2 years. There appears to be inconsistencies in a few of the election dates and the names of the County Surveyor.
