Rock County Board of Supervisors

Dear Madam and Sirs:

A proposal is being made to combine the offices of Tax Description and Surveyor for the County of Rock. The two offices would occupy the rooms on the second floor of the Court House now used by the Surveyor and the Polygraph Lab. This proposal has been approved by the Sheriff and Court House Committees, and is to be considered by the Public Property Committee at its next meeting. Mrs. Biron would assume the duties of supervising both of the offices. Since Mrs. Biron assumed the duties of Supervisor of the Tax Description Office on June 1, 1968, she continued to handle the work that needed immediate attention in the Surveyor's office. This work has been done with no additional compensation from the county.

Two suggestions for your consideration with this combination are:

Plan 1. Increase Mrs. Biron's salary to \$750.00 per month, base pay; and increase the salary of her tax lister to \$400.00 per month. This to be effective with the combination of the offices, with no further raise at the first of the year; or

Plan 2. Increase Mrs. Biron's salary to \$650.00 per month, base pay; give the Tax Lister, Marilyn Connell, a one-step raise on January 1, 1969; and hire a third girl, at a salary to be determined by your committee.
