

PLAT AND RECORD

483

VOL. 1

Of a Survey on Section..... T..... R..... E. of the 4 P. M. in..... Township

Rock County, Wisconsin, made MARCH the 18 1920

I hereby certify that the following is a correct record of said survey as made by me.

Donald Barnes

County Surveyor.

STATUTES OF THE TERRITORY OF WISCONSIN 1839

An Act concerning district surveyors.

Surveyor elected

DISTRICT SURVEYOR

SEE Vol 6 PG 484

§1. That each county in this territory shall form a surveying district, and the qualified electors in each organized county in this territory, shall at the next annual election, after the passage of this act, elect a surveyor who shall reside in the district, for which he shall have been elected, and shall previous to entering upon the duties of his office take and subscribe an oath or affirmation, faithfully to discharge the duties of the same, and shall give bond to the clerk of the board of county commissioners of the proper county, in the sum of one thousand dollars, conditioned for the faithful discharge of his duties.

Deputies

§2. The said surveyor may appoint such number of deputies as he may think proper, who shall severally take an oath or affirmation of office, and for the faithful performance of whose duties he shall be responsible. The certificate of the district-surveyor elected as aforesaid, or any of his deputies, shall be admitted as legal evidence in any court within this territory, but the same may be explained or rebutted by other evidence; and if said surveyor, or either of his deputies, be interested in any tract of land, a survey of which becomes necessary, such survey may be executed by any competent person to be appointed by the court before which such matter shall be pending.

Certificates of surveyor to be evidence

To survey

§3. It shall be the duty of said surveyor, by himself or one of his deputies, to execute any survey which may be required by order of any court, or upon application of any individual or corporation.

Record of surveys

§4. The said surveyor shall keep a correct and fair record of all surveys made by him or his deputies, in a book or books to be provided by the county commissioners for that purpose, which he shall transmit to his successors in office; he shall also number such surveys progressively, and shall preserve a copy of the field notes and calculations of each survey, endorsing thereon its proper number; a copy of which, and also a fair and accurate plot, together with a certificate of survey, shall be furnished by said surveyor to any person requiring the same.

Fees

§5. The said surveyor and his deputies may demand and receive for their services the following fees, to wit: For the first mile actually run with a compass and chain, three dollars; for each succeeding mile thereafter, one dollar; for each mile run with a compass alone, one dollar; for every in and out lot laid out and plotted in any town, or addition thereto, thirty-seven and one-half cents; for a plot and certificate, except town plots, fifty cents; for recording a survey, fifty cents.

Chainmen and marker

§6. If the party for whom the survey is made does not furnish the chainmen and marker, then the district surveyor, or his deputies, may employ the necessary chainmen and markers, and shall receive one dollar and fifty cents per day for each chainman and marker so employed; and each chainman and marker employed in
