ORDER OF HIGHWAY COMMISSIONERS NUMBER TEN

East and West through center of Sec. 31, 32, 33, 34, 35 & 36

This may certify that we the undersigned Highway Commissioners of the Town of Newark did in compliance with a petition signed by Porter Day, Jared Whipple, Simon Williams, Benjamin Timberlake, How. P. Teague and others did on the 24th day of December 1847 lay a public highway four rods wide: Commencing on the West side of said Town at the quarter post West side of Section 31 - thence running easterly directly to the quarter post between said Section 34 and Section 32 - thence East to the quarter post between sections 32 and 33 - thence East to the quarter post between sections 33 and 34 - thence East to the quarter post between sections 34 and 35 thence East to the quarter post between sections 35 and 36. thence East to the quarter post on the East side of said section 36 also the same being the East line of said Town of Newark said Highway is about 6 miles in length or as near as may be

Notice as the law requires was given of the laying of the same.

David C. Teague) Commissioners of
Dabid Mead) Highways

Received and filed January 15th A. D. 1848

Recorded Jan. 27th A. D. 1848

John D. D. Marvin Town Clerk
