Rock County

Whereas a public highway has been laid out by the Commissioners of Highways for the Towns of Janesville and Center on the line between said towns commencing at the Southwest corner of Section 19, in the Town of Janesville and running to the North line of said towns, and said highway not having been divided between said towns for the purpose of building a road and keeping the same in repair.

Now therefore at a meeting of the supervisors of said towns of Janesville and Center in said Rock County, held for that purpose on the 11th day of May 1852. It was hereby ordered that the said highway be divided into two highway districts as follows to wit:

That part therefore commencing at the
