Extension 237

At a meeting of the Supervisors of the Town of Newark held on Saturday 28th June at ten o'clock A.M. at the house of Levi Grant in said town, to consider the annexed petition for the laying out and vacating certain highways and parts of highways in said town, It appeared that all the notices required by law to be given had been given and after making actual survey of the said road described in said annexed petition, and hearing reasons for and against the laying out and vacating said roads and parts of roads. It was ordered and determined that so much of a certain highway running between sections two and three in said Town of Newark as lies between the town line between Plymouth and Newark and a road running East and West across the said section line between sections two and three and past the house of Levi Grant, (being 80 rods more or less) be and the same hereby is vacated and discontinued, and that a public highway of the width of four rods be laid out and established in said Town of Newark described as follows to wit, Commencing at a point 80 rods West of the northwest corner of section two on the town line of said town of Newark and running thence due South 80 rods or until it intersects the road running East and West by the premises of Deerhammer, Grant and others

And further it is ordered and determined by the supervisors of the town of Newark aforesaid, that a public highway of the width of four rods be laid out and established in said town of Newark described as follows to wit, commencing at a point where the last described road intersects the highway running past the house of Levi Grant East and West Being 80 rods South of the town line between the towns of Newark and Plymouth and 80 rods West of the section line between sections two and three in said town of Newark, running thence 80 rods West, thence taking a north-westerly course running through lands owned by Jens Knudson until said road shall intersect a road running on the town line between Plymouth and Newark and the corners and distances of said road being agreeable to the annexed survey bill of Peter McVean Esqr.
