BASIS FOR MONUMENTATION

Original Survey, 1834-37, Wood Post & Bearing Trees
Resurvey of Koshkonong Township, by Milo C. Jones,
August-December, 1886. Field notes say that Bearing
Tree evidence was found. From this evidence a
Limestone monument, Approx. 6" by 36" long with a
squared finished top, was set for the corner. Notes
are recorded in the Register of Deeds, Miscellaneous
Volume 1, pages 389-412.

1980, Found the stone monument, set for Koshkonong
Township, extending about 4" out of ground in a
fence intersection. I set a steel post and sign
next to the stone. Lima Township in Rock County,
was not Resurveyed.
