Highway Order No. 8

We the undersigned Commissioners of Highways for the Town of Beloit met at the house of J. G. Winslow in said town, between the hours of nine and ten in the forenoon of Saturday the 21st day of March 1846, to take into consideration the subject of a petition signed by J. G. Winslow and nine others. Upon being satisfied that the notices required by law had been given, as the law requires, we proceeded to examine the ground on the line petitioned for and caused a survey of the same to be made as follows:

Beginning at the corner of Sections 19, 20, 29 & 30 of Township 1, North of Range 12 East; thence running West on the line between Sections 19 & 30 to angle 9 chains West of the quarter section post. 49 chains
(20 chains of this line through enclosed land on Section 30)
Thence South 67° West 13.50 chains
thence North 72° West 15.78 chains
to section line;
thence on section line West 1.32 chains
to S.W. corner of Section 30;
thence North 88¾° West 14.00 chains
to angle.
thence North 62° West 57.00 chains
to angle;
thence North 43¼° West 57.00 chains
to North line of Section 23;
thence West to section corner 10.00 chains

At a meeting held this second day of April 1846 we order and determine that the above described line be the center of a highway of four rods in width.

Order for Highways

We the Commissioners of Highways for the Town of Beloit met at the Rock River house in said town this 27th day of June in the year of our Lord 1846 at ten o'clock in the forenoon, to survey the ground on a line petitioned to be laid out as a highway by Wm. L. Yost and others upon being satisfied that notices had been given of the time, place and purposes of this meeting, we proceeded to examine the ground on the line petitioned for and we hereby certify that we caused a survey of the line petitioned for to be made. The description of which line is as follows:

Beginning at the North end of Pleasant Street in the Village of Beloit and running North 3° West to a post bearing South 84¾° West 415 links from the West bearing tree of the quarter section post on the East side of Section 26, 5400 links; thence North 16½° West 15.75 links, H. Burchard's South line; thence North 10¼° West 1245 links; thence North 4¼° West 1563 links to John Eddy's line; thence North 3½° West 81.50 links to Peck's house; thence North 10° 40' West to Burr Oak Tree above mean 2600 links, same course 1100 links ——— thence North 3½° West 530 links to point 50 links East of corner of Schenck's Yard fence; same course 2500 links to post; thence North 7¾° East 1000 links to Yost's South line; thence North 18° East 2500 links to Yost's house; thence North 16° 50' East 2500 links to Henderson's North line; thence North 24° East 4200 links to post, front of Bostwick's house; thence North 30¼° East 2000 links to post; thence North 41¼° East 1660 links to Lawrence's North line; thence North 42° East 2950 links; thence North 32° East 14.50 links; thence North 16° East 1200 links to the North line of Beloit. And we order that the above described line be the center line of a highway of four rods in width.
