## NOTICE OF INTENT

### **RE: Solicit Letters of Interest from Engineering Consultant Firms - 2022**

The Rock County Public Works Department hereby solicits Letters of Interest from consulting firms that are interested in being considered to provide professional engineering services for various types of projects being undertaken by the Department of Public Works. These projects could be funded with federal, state or local sources.

Firms interested in transportation projects must be on the current roster of qualified consulting firms established by the Wisconsin Department of Transportation.

Firms wanting to be considered should email a letter of interest and the completed consultant questionnaire form by **Monday, December 20, 2021, by 4:00 p.m.** to [amy.hartley@co.rock.wi.us](mailto:amy.hartley@co.rock.wi.us)

**To obtain the consultant questionnaire form, please contact our office via the e-mail address previously provided.**
