BETWEEN SEC 31 & 32 T1N R12E IT IS 5049'

C) Was the corner restored through acceptance of (1) an obliterated evidence  
location, or, (2) a found perpetuated location?

**ACCEPTED FOUND PK.**

D) Describe any material discrepancy between the location of the corner as  
restored or reestablished and the location of that corner as previously  
restored or reestablished by distance and direction. Show the discrepancy on  
the plan view drawing under (a), above. Show the distances between the  
corner as previously restored or reestablished and (1) the corner as restored  
or reestablished, and (2) to at least 4 of the witness monuments shown on the  
drawing in (a), above.

(E) Was the corner reestablished through lost corner proportionate methods?  
If so, show the method, including the directions and distances to other  
public land survey corners used as evidence or used for proportioning the  
corner location.

**NO**

I, Donald Barnes, hereby certify that the corner location as identified by the corner code index was  
determined by me under my direction and control and that this U.S. Public Land Survey Monument  
Record is correct and complete to the best of my knowledge and belief.
