CONSTRUCTION UPDATE

CTH A (CTH M to Tarrant Rd)

September 22, 2021

Construction

- The county construction crew is continuing excavation and subbase installation of the roadway.
 - The crews started in Johnstown Center at CTH M and are working west towards Tarrant Rd.
 - Currently, the crew is just west of Emerald Grove Rd.
 - The current schedule is showing roadway excavation to be completed in early October 2021.
 - Cross Culvert installation will follow, along with prepping grade for asphalt paving.
 - Asphalt paving is tentatively scheduled for late October - early November 2021.

General Information

- This section of roadway is CLOSED TO THRU TRAFFIC.
 - The anticipated re-opening of CTH A to thru traffic is currently scheduled for mid to late November 2021.
