This contract between LYCON Inc. (LYCON) and Customer consists in its entirety of the terms and conditions consisting of the Quotation Sheet and General Terms and Conditions in lieu of all others, and supersedes all previous communication, representations or agreements, either oral or written, between the parties hereto. This quotation must be signed by an authorized representative of your company and returned to LYCON within thirty (30) days of the quotation date. All sales made by LYCON Inc. are subject to these General Terms and Conditions of Sale, and if buying on credit, to Customer's credit agreement with LYCON, incorporated herein by reference.

No modifications of this contract or quote shall be affected by Customer's purchase order forms or other documents containing terms or conditions different from or in addition to those contained herein. Any modification, amendment or change to these General Terms and Conditions of Sale must be agreed to in writing signed by both parties specifically referring to the contract or quote.

1. Prices quoted by LYCON shall be in effect for thirty (30) days from the date of quotation, and may be subject to change thereafter.

Additional charges may apply for deliveries outside of those hours and for any waiting/unloading periods in excess of 10 minutes. Orders of less than one yard will be billed as a full yard. Orders of less than five yards may have a minimum load charge. Unnecessary trips and split loads are also subject to additional charges.
3. Payment is due in full within thirty (30) days of invoice. Accounts over 30 days past due are subject to a service charge of one and one-half percent (1.5%) per month.

5. Customer shall be liable to pay all collection costs including, but not limited to, mediation, court costs and reasonable attorney's fees. Customer agrees this Contract will be governed by the laws of the State of Wisconsin. Customer agrees that any litigation that may be brought regarding the enforcement of this Contract or the rights, duties or obligations under this Agreement shall be brought exclusively in the State court sitting in Rock County Wisconsin or the Federal courts sitting in Madison, Dane County, Wisconsin.

7. Customer shall provide and maintain at Customer's expense insurance coverage for comprehensive general liability, casualty and property damage in a form, amounts and with a carrier satisfactory to LYCON and, when required, to arrange for a certificate of Insurance to be issued to LYCON from the carrier, which shall name LYCON as an additional insured on all insurance and shall include clauses providing that the insurance shall not be canceled or reduced without 30 days advance notice to LYCON.
8. Tests for slump, unit weight and air content shall be made in accordance with procedures listed in the current American Society for Testing Materials Standard Specifications C94 by ACI certified field inspectors or their equivalent. Any rejection of ready-mixed concrete on the basis of deviations in slump or in air content from limits designated in this contract shall be at the time of delivery. Acceptance of delivery by the Customer shall constitute waiver of any claim.
9. Customer is solely responsible for determining the type and quantity of materials to be purchased.
10. LYCON produces concrete in accordance with the A.S.T.M. specifications for ready-mix concrete. LYCON warrants to Customer that at the time of delivery the goods sold hereunder will conform substantially to the description on the face hereof. LYCON does not guarantee finished results obtained from the in-place product, as many factors affecting the ultimate quality of the completed job are out of LYCON's control.
