Executive Summary

The Information Technology department included funds in the 2020 budget to invest in the training of its staff. As referenced in the Baker Tilly audit, many staff members have not been provided training opportunities in several years. This was viewed by the audit as a weakness within the department, and that professional development should be part of the overall IT strategy.

StormWind Studios is a company that provides online training on a large variety of IT material, including: Microsoft, Linux, VMWare, Project Management, and Cisco, among others. The training service being offered allows IT staff unlimited use of the training platform for two years.

Access to this training allows staff the opportunity to refresh their skillset and for staff to be able to cross-train on applications less familiar to them. This provides better sustainability within the department.

The subscription is available from SHI International Corp under state Contract: #505ENT-M16-VARSOFTWARE-03.

The requests for funds for this purchase were included in the 2020 Rock County budget.

This resolution authorizes Rock County Information Technology to purchase the StormWind Studios training subscription from SHI International Corp. for an amount not to exceed \$30,960.00

EXECUTIVE SUMMARY

Through Wisconsin Act 27 (1997-1999 Biennial Budget Bill), Chapter 92.10 of the Wisconsin Statutes was amended, creating a county land and water resource management-planning program. Wisconsin Administrative Code ATCP 50, details the requirement of the Land and Water Resource Management Plan. The original plan, approved in 1998, was one of the five original Land and Water Resource Management Plans in the State of Wisconsin. The original plan has been updated every five (5) years since the original plans publication date. The most current plan, dated 2019, incorporates new natural resource information.

This edition incorporates five natural resource management goals: Protect the quality and quantity of Groundwater; Protection of Farmlands; Protect quality of Surface waters; Improve and protect soil quality; and Protect and enhance habitat quality. It is a 10-year action and implementation plan that emphasizes cooperation with conservation partners in Rock County. The plan must be reviewed after five years by the State Land and Water Conservation Board.

The LWRM Plan is intended to complement and coordinate with existing plans rather than replace them. By focusing on the Rock County Land Conservation Committee (LCC) and Land Conservation Department's (LCD) strengths of conservation planning, information and education, technical assistance, and program administration, diverse interests act together in effective protection and enhancement of Rock County's natural resources.

In summary, the LWRM Plan outlines a comprehensive strategy for the implementation of protection of the natural resources. This will only be accomplished through continued partnerships with governmental agencies, landowners, non-governmental organizations, and the citizens of Rock County.

This shall not, however, preclude the Wisconsin Professional Police Association employee representatives from meeting individually with officers or members during working hours or from using email notifications to its members regarding meetings or union business with prior notification to the Sheriff, and providing that such discussions or emails do not interrupt, slow down, or adversely affect any scheduled Sheriff's Office work project and are not extended for an unreasonable period of time. This Section shall be construed to permit the officers or stewards to meet, without loss of pay, with County Administration during normal working hours in an attempt to resolve any disagreements relative to the interpretation of the terms and conditions of this Agreement providing that such meeting does not interrupt, slow down, or adversely affect any scheduled Sheriff's Office work project. The Employer shall advise the employee that he/she may request the presence of a steward or officer of the Association at the time of receiving a reprimand and during the course of an investigation in which that employee is the subject of the

investigation, and reasonably believes the investigation may result in discipline to him/her.

If it should be ruled by a court of competent jurisdiction that this indemnification clause, or any part of it, is void as against public policy, then 11.01 Dues Deduction shall become null and void and shall no longer be considered a part of this contract. The parties shall enter into immediate negotiations for the purpose of arriving at a mutually satisfactory replacement for such article or part.

If a vacation, holiday or compensatory day off is scheduled at least 24 hours in advance, and is subsequently cancelled by management, the employee will be paid time and one-half (1 1/2) for hours worked and will retain the vacation, holiday or compensatory day in the appropriate bank. If the employee works less than eight (8) hours, he/she will be paid time and one-half (1 1/2) for hours worked and the remainder of the eight (8) hours will be paid as vacation, holiday or compensatory time off, whichever was to be used for the off time. If the partial day was scheduled as a floating holiday, the floating holiday time not used to complete the eight (8) hour day will be transferred to the employee's regular holiday bank.

- 8.04 Subpoena Pay. Employees who are not on duty shall receive time and half pay for all time in court when subpoenaed by court to appear in traffic, civil and criminal cases or when specifically requested by the Sheriff, Office of District Attorney or Corporation Counsel. Employees whose services are required under this provision and who are not on duty shall receive a minimum of two (2) hours pay at time and one-half. There shall be a maximum of three (3) per day.

There shall be a maximum of two (2) canceled subpoenas per day.
- 8.06 Classification. Each employee presently employed or hired after adoption of this contract shall be classified by a job title as listed under Appendix A under "Classification."
- 8.07 Pay Progression. Employees shall normally be hired at Step A as set forth in the applicable appendix-classification schedule and shall then be advanced to Step B upon completion of forty-eight (48) months in the classification. Employees will advanced to Step C upon completion of eighty-four (84) months in the classification.

Effective 7/01/2018 Employees shall normally be hired at Step A as set forth in the applicable appendix-classification schedule and shall then be advanced to Step B upon completion of twenty-four (24) months in the classification. Employees will advanced to Step C upon completion of forty-eight (48) months in the classification. Employees will advanced to Step D upon completion of one hundred and eight (108) months in the classification.

Effective 1/01/2019 Employees shall normally be hired at Step A as set forth in the applicable appendix-classification schedule and shall then be advanced to Step B upon completion of twenty-four (24) months in the classification. Employees will advanced to Step C upon completion of forty-eight (48) months in the classification. Employees will advanced to Step D upon completion of seventy-two (72) months in the classification. Employees will advanced to Step E upon completion of one hundred and eight (108) months in the classification.

The Sheriff may determine that a particular appointment be made above the entrance pay rate, up to Step B, in recognition of relevant experience and/or exceptional qualifications. In this scenario, the employee will receive completion credits, as labeled in the wage schedule, towards step progression. For example, if the employee is awarded Step B they have earned 24 months toward movement to Step C. These completion credits only apply to step progression and no other benefits or seniority. Upon completion of the probationary period, the completion credits shall be applied to the employee's vacation allotment up to Step B.

The County offers a total package 2.00% increase for 2018 and a total package 2.0% increase for 2019. The across the board wage increase will vary by start date and percentage based on the financial impact of language changes (ex. WRS increase, education incentive, etc.).

All time accumulated over the 80 hours would automatically be paid at a rate of time and one-half. Utilization of said leave shall be subject to authorization of the shift commander or appropriate supervisor. Compensatory time must be taken in the calendar year in which it was generated or it will be paid out on the last pay check of the calendar year in a separate check.

Effective January 1, 1999 the above tuition reimbursement provision will be replaced with the following:

The County shall reimburse employees for the full cost of their tuition and books for approved police science, criminal justice or related courses in an accredited vocational/technical school, college or university. Reimbursement for tuition shall be limited to the highest level for in-state tuition for such courses at UW-Whitewater or Blackhawk Technical or UW-Rock County. Further said reimbursement shall be limited to the tuition charge for a full-time student per semester. No reimbursement shall be required of the county that would be duplication of payment for educational benefits received by employee from another source other than assistance from a private source. Such courses are subject to prior approval in writing by the Sheriff or his representative; however, such approval shall not be unreasonably withheld. Reimbursements will be limited to courses for one (1) approved Bachelor's Degree program and/or one (1) approved Master's Degree program.

9.09 Dues Deduction. The Employer agrees to deduct monthly dues in the amount certified by the Association from the pay of employees who individually sign a dues deduction authorization form supplied by the Association. This deduction shall include any Local Association dues which the employee has authorized to be deducted in conjunction with the WPPA/LEER dues (the "combined dues").

It shall be the Association's responsibility to obtain dues authorization forms from new employees and provide them to employer no less than 30 days prior to the date in which dues deductions are to commence.

The Employer shall deduct the combined dues amount each month for each employee requesting such deduction, upon receipt of such form and shall remit the total of such deductions, with a list of employees from whom such sums have been deducted, to the Association, in one lump sum not later than the end of the month in which the deduction is made.

Authorization of dues deduction by a voluntary member may be revoked upon notice in writing to the Employer, WPPA or to the Local Association.

No employee shall be required to join the Association, but membership in the Association shall be made available to all

Hold Harmless. It is understood and agreed that the Association will refund to the employer or the employee involved any dues erroneously deducted by the employer and paid to the Association. The Association shall indemnify, defend and save the Employer harmless against any and all claims, demands, suits or other forms of liability, including court costs, that shall arise out of or by reason of action taken or not taken by the Employer in reliance upon employee payroll deduction authorized forms submitted by the Association to the Employer. If it should be ruled by a court of competent jurisdiction that this indemnification clause, or any part of it, is void as against public policy, then 11.01 Dues Deduction shall become null and void and shall no longer be considered a part of this contract.

The parties shall enter into immediate negotiations for the purpose of arriving at a mutually satisfactory replacement for such article or part.

- 9.10 Physical Examinations. Each employee may have a physical examination every 3 years. The County will determine the scope of the examination and pay the full cost of the exam. The County will select the provider of the examination. When the County's Health Insurance Policy provides coverage for physicals that does not incur deductibles, this section does not apply.

No Association member shall be discharged, retired, pensioned or severed from employment upon the basis of information contained in such physical examination, unless the examining physician certified that the employee is no longer capable of performing his duties. Should such certification be given, the employee shall have the right to a hearing thereon and introduction of his medical testimony.

- 9.12 Post Employment Healthcare Program (PEHP): Rock County ("Employer") agrees to participate in the Security Benefit Group Healthcare Reimbursement Account (HRA) for Public Sector Labor Association Employees (the Plan) in accordance with the terms and conditions of the Plan's Participation Agreement, a copy of which is attached to this Agreement. The parties hereto designate Security Financial Resources, Inc. to serve as the Plan Administrator for the Plan, or its successors appointed in accordance with the Plan and Trust documents. The Employer agrees to contribute to the Plan on behalf of the following category of employees:

All sergeants employed by the County in classifications set forth in Appendix A of the collective bargaining agreement, but excluding all other employees in accordance with WERC Case CXXXVI, No. 27879 ME-1994 dated August 28, 1981.

For the term of this Agreement, the Employer shall contribute for each eligible employee the amount of \$25.00 per month into the HRA Medical Expense Reimbursement Account and their gross monthly salaries will be reduced by that amount. Additionally, upon termination, 100 percent of the eligible employee's accumulated sick leave balance that would otherwise have been paid to the eligible employee had the Employer not participated in the Plan shall be deposited into the HRA Insurance Premium Reimbursement Account. In order to minimize the risk of this Plan being found discriminatory under section 105 (h) of the Internal Revenue Code of 1986, as amended ("Code"), the Administrator may request that a contribution amount to a highly compensated eligible employee's account be reduced to the maximum amount contributed on behalf of a non-highly compensated eligible employee. If such a request is made, the reduction amount shall be paid to the employee in the form of wages.

The Employer and Association further agree that for the term of this Agreement, salary or hourly rate of pay, for the sole purpose of computing pensionable wages and overtime rates of pay, shall include the Employer's recurring contributions to the Plan (i.e., not lump sum termination contributions) that would otherwise have been recognized as a pensionable benefit had such amounts not been contributed to the Plan.

- 9.13 Meal Reimbursement: See County Personnel Ordinance Section 18.626.
