August 19, 2010 – Rock County Beef Producers Steak Cookout

5 – 8 PM at the Rock County Fairgrounds

NOTE: It is possible that at any of the above listed events a quorum of a governmental body may be present, however, no business of that governmental body will be conducted.

Note: When you fill out the white, half sheet per diem please leave the bottom line open for the County Board Chair to sign off on. If you need the Committee Chair to sign off on a per diem, have them initial after your name or on the line for attending meeting lasting longer than 4 hours. New per diem sheets will be available for you shortly.

Any Supervisor who finds himself/herself near the Courthouse on a Friday around 2:30 P.M. may stop in and pick up their weekly packet.

As a way to cut County costs and to be more “earth friendly” we now have the full agendas and minutes for the County meetings on the County’s website at www.co.rock.wi.us. On the home page go to the far right, under the weather area is a listing of the meetings for the week. Click on the meeting of your choice and it will bring up a page showing the dates for the agenda/minutes, click on the green checkmark and it will open the document. You may then print any or all pages you wish. If you would like save even more County funds you could receive your packet in this manner - e-mail (marilyn@co.rock.wi.us) or call me (757-5510). Thank you.

Happy Birthday this month to Supervisor

June

Thompson

Green Tips of the Week: White distilled vinegar (WDV) provides many safe and natural ways to protect and enhance your garden and gardening tools. 1) Kill weeds and grass growing in unwanted places by pouring full-strength WDV on them. 2) Stop ants from congregating by pouring WDV on the area. 3) Discourage cats from getting into the kids’ sandbox with WDV. 4) Preserve cut flowers and liven droopy ones by adding 2 Tblsp. WDV and 1 tsp. sugar to a quart of water in a vase. 5) Clean a birdbath by scrubbing it often with undiluted WDV. Rinse well. 6) Get rid of rust on spigots, tools, screws or bolts by soaking the items overnight or for several days in undiluted WDV. 7) Kill slugs by spraying them with a mixture of 1 part water and 1 part WDV. 8) Keep rabbits from eating your plants. Put cotton balls soaked in WDV in a small container. Poke a hole in the top and place in the garden.
