On the home page go to the far right, under the weather area is a listing of the meetings for the week. Click on the meeting of your choice and it will bring up a page showing the dates for the agenda/minutes, click on the green checkmark and it will open the document. You may then print any or all pages you wish. If you would like save even more County funds you could receive your packet in this manner - e-mail (marilyn@co.rock.wi.us) or call me (757-5510). Green Tips of the Week: One of the secrets to green living is discovering how to save money, reduce your consumption of new products (because consuming is what creates your eco-footprint) and still surround yourself with the products that fit your lifestyle. Here are 7 recommendations for free (or nearly free) web-enabled services that enable you to swap, trade, borrow or otherwise receive other people’s goods. 1) freecycle.org – enables local community members to give away or “gift” items; 2) goozex.com – \$1 charge each time you trade with another member; 3) neighborrow.com – list items you are willing to loan or trade; 4) paperbackswap.com – more than 2 million titles available for trade; 5) swapadvd.com – more than 58,000 DVD titles available for trade; 6) swapstyle.com – swap accessories all over the globe for free; 7) zwaggle.com – swap baby items with other parents for shipping charges.
