In Milwaukee

**Over**

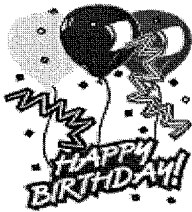

**NOTE:** It is possible that at any of the above listed events a quorum of a governmental body may be present, however, no business of that governmental body will be conducted.

Note: When you fill out the white, half sheet per diem please leave the bottom line open for the County Board Chair to sign off on. If you need the Committee Chair to sign off on a per diem, have them initial after your name or on the line for attending meeting lasting longer than 4 hours. New per diem sheets will be available for you shortly.

Any Supervisor who finds himself/herself near the Courthouse on a Friday around 2:30 P.M. may stop in and pick up their weekly packet.

Starting the week of August 1<sup>st</sup> we will be starting a one-month trial of Supervisors accessing their meeting agendas and minutes through the County's website ([www.co.rock.wi.us](http://www.co.rock.wi.us)). Every Friday the Administrator's Office will mail the Weekly News Release and The Supervisor's Review to each Supervisor so you will be aware of meetings for the upcoming week. Participation in this trial is not mandatory and if you wish not to participate please return the bottom portion of the 6/25/10 memo included in your 7/2/10 packet to Marilyn in the Administrator's Office. Thank you.

Happy Birthday this month to Supervisor

**Green Tips of the Week:** Baking Soda: Multipurpose Superhero: Also called sodium bicarbonate and can cheaply replace more expensive products with harmful chemicals in your home. *Deodorant* – Pour ½ cup baking soda into a reusable glass container mixed with ½ cup cornstarch and apply with a powder puff. *Mouthwash* – Gargle with a mixture of water and ½ tsp. baking soda. This will also relieve canker sore pain. *Itch Soother* – If you don't have calamine lotion or aloe handy, baking soda can be used to relieve skin itch from insect bites, rashes and poison ivy irritations, as well as sunburn pain. *Bug Repellant* – Put baking soda under sinks and along basement windows to repel cockroaches and ants. *Odor Buster* – Put an open box of baking soda in the fridge to absorb odors. Sprinkle in shoes and socks to counteract smelly feet. Can also be used on your cat's litter box to absorb smell, or for use on a dog or cat brush to deodorize fur. *Fragrance Enhancer* – Add a tsp. of baking soda to the water in a flower vase to keep cut flowers fresh longer. *Sweetener* – Sweeten tomatoes by sprinkling some baking soda around the plants.
