The Human Services-Long Term Support (LTS) division has received nine COP High Cost Funding awards in the last 6 months. These awards equate to over \$52,000 in additional funds for frail elders and physically disabled individuals in the community. Due to the lengthy wait list for current funds, LTS staff have pursued these additional dollars so that individuals do not have to wait for needed items or modifications. Awards have been granted for ramps, vehicle modifications, an electric wheelchair, a stair lift, and a bathroom remodel. LTS staff have done an excellent job submitting these requests on behalf of their clients; thereby obtaining necessary services that they would otherwise have to wait for.

Happy Birthday this month to Supervisors
