**URGENT MEMORANDUM**

**DATE:** February 4, 2021

**TO:** Rock Haven Residents and Families

**FROM:** Sara Beran, Interim Nursing Home Administrator

**RE:** Sandstone Case Manager

Dear Rock Haven Residents and Families:

Rock Haven would like to share that Theresa Talbert is no longer the case manager for Sandstone residents and families. We have immense gratitude for the excellent care she provided Rock Haven residents over her 10 years at the facility and 16 years within Rock County. It will be difficult to find a social worker who has a similar passion for our residents as she.

Gail Sullivan, Limestone social worker, will be assuming social work coverage for all Sandstone residents and families. Gail is a licensed Master Social Worker and has been with Rock Haven for over six years. She is familiar with all Rock Haven residents and looks forward to the partnership she will have with you. Gail can be reached at (608) 757-5325.

We will continue to provide updates on social work coverage as they become available. Please contact me with any questions or concerns in this transition.

Thank you,

*Sara Beran*
