URGENT MEMORANDUM

DATE: January 20, 2022

TO: All Rock Haven Community Members

RE: Positive Cases of COVID-19

Dear Rock Haven Community Members,

We have employees and a resident that have tested positive for COVID-19.

Employees that have tested positive are in quarantine away from Rock Haven.

Rock Haven has a designated area for residents that have tested positive (not their normal rooms).

Notification has been made to the County Public Health Office as required and we are following procedures recommended by the Centers for Disease Control & Prevention.

As we are trying our very best to contain the spread, we are asking families to re-evaluate visiting at this time.

We are open for visitation, however, we are asking everyone to take extreme caution when visiting and we are asking all visitors to place all personal protective equipment on.

Visitations are allowed in the resident's rooms at this time. Those residents on the quarantine unit we would ask all visitors to contact the nursing supervisor prior to visiting on the quarantine unit.

If you are ill, please postpone your visit until you are well.

We ask that you join our residents and staff in doing all we can to support the Rock Haven community by following the recommendations set forth by the CDC:

- Social Distancing/staying home if possible
- Washing Hands for 20 seconds with soap and water or alcohol-based hand rub
- Wear a mask or face covering when indoor if with people that are not part of your household
- Self-isolating if showing any signs or symptoms of COVID-19
- Seek medical assistance as necessary
- If you notice symptoms, please notify anyone you have had close contact with in the 2 days prior.
- Obtain vaccinations, including booster doses when able.

Thank you for your continued cooperation. If you have questions, please contact our Infection Preventionist Marilyn Burns RN/ADON at (608) 757-5166
marilyn.burns@co.rock.wi.us

Regards,

Natalie Rolling Edlebeck
