Executive Summary Amending the Sheriff's 2016 Budget to Purchase Optics and to Upgrade Rifle

Since late last year, EOTech, a manufacturer of holographic weapons sights, has been accepting customer returns of certain EOTech weapons sights affected by one of several performance issues. EOTech has instituted a program for purchasers of affected sights to obtain a refund of the purchase price at the customer's option.

The Sheriff's Office returned their weapons sights to EOTech. EOTech sent a refund check for \$6,809 which was booked to 21-2100-0000-46900, Refund of Prior Year's Expense.

The Sheriff's Office will purchase replacement optics from Vortex Optics of Middleton, WI. The optics will be purchased directly from Vortex Optics at a law enforcement discount of forty percent off of retail price. The cost will be \$4,848.

The remaining refund amount of \$1,961 will be used to upgrade the rifle that is already in the 2016 Capital budget.
