ISSUE: Purchase of new pier from E-Z Dock Corporation

DISCUSSION: As part of the Parks Departments 2019 Capital Improvement plan we are looking to purchase a new pier for Gibbs Lake. This new pier will serve the community not only as part of the boat launch but also as a kayak launch and handicap accessible fishing spot. The current pier located at Gibbs Lake will then be relocated to Happy Hollow Park where it is better suited and will be replacing an old worn out pier.

A quote was solicited through the Sourcewell purchasing cooperative using EZ Dock contract number 030117-LTS.

We received a quote from EZ Dock for purchase and shipping, as well as a quote from Harbor Recreation for the assembly and installation of the EZ Dock pier.

The results are as follows:

Company	Description	Bid Price
EZ Dock	Complete pier and shipping	\$16,543.18
Harbor Recreation	Assembly and installation of pier	\$2,500.00

RECOMMENDATIONS:

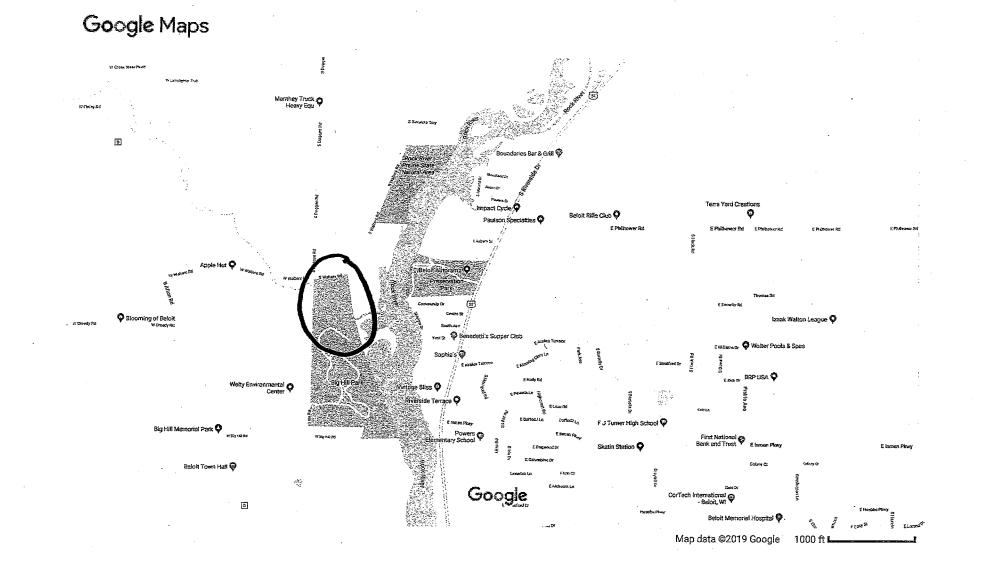

These quotes reflect the purchase of a new pier for the Gibbs Lake location, including assembly and installation that meets our specifications. I recommend the purchase and installation of this pier for Gibbs Lake by EZ Dock and Harbor Recreation at a cost of \$19,043.18.

Respectfully submitted,

John Traynor, Parks Manager

Big Hill Park Paving Project

Mr. Paynter has asked to bring this before the Highway Committee for discussion. Mr. Paynter and the Rock Trail Coalition are looking to pave a 1700' section of the Peace trail located between Walters Road and Big Hill Park. Part of this section of trail is owned by Rock County. The purpose of this agenda item is to introduce the project to the committee and to discuss possible options moving forward.
