## Replace Electrical Service Entrance at the Rock County Job Center

The resolution before you authorizes the replacement of the electrical service main entrance into the Job Center. The electrical service entrance is in need of repair. The funds were budgeted this year and an electrical engineer designed the new service to meet the current standards and codes.

Bids were solicited from qualified contractors with two contractors responding. The low bid from Gilbank Construction was reviewed by the Facilities Management Director and Purchasing Manager for compliance and was found to meet the specifications.

# Awarding the Contract for Replacing Council on Aging & Health Department Fascia and Amending 2016 Facilities Management Capital Budget

The Council on Aging & Health Department fascia is deteriorated and in need of replacement. Bids were solicited from qualified contractors with only one bidder responding.

The resolution before you approves contracting with McDermaid Roofing & Insulating Company of Elgin, Illinois, in the amount of \$43,340.

This Resolution also amends the 2016 Facilities Management Budget, by increasing the budget by \$26,813, using a portion of the sales tax to fund the remainder of the cost of the cost to replace the fascia.

Awarding the Contract for Council on Aging & Health Department Fascia and Amending 2016 Facilities Management Capital Budget Page 2

#### FISCAL NOTE:

This resolution authorizes the replacement of the fascia on the Council on Aging & Health Department building. The bid for this project came in \$26,813 over budget. Therefore this resolution authorizes a transfer in of prior year sales tax revenue to cover the cost of this project. There is approximately \$1.9 million in prior years' sales tax revenues available for appropriation.

Sherry Oja Finance Director

#### LEGAL NOTE:

The County Board is authorized to take this action pursuant to secs. 59.01 and 59.51, Wis. Stats. In addition, sec. 59.52(29), Wis. Stats. requires the project to be let to the lowest responsible bidder. As an amendment to the adopted 2016 County Budget, this Resolution requires a 2/3 vote of the entire membership of the County Board pursuant to sec. 65.90(5) (a), Wis. Stats.

Awarding the Contract for the Replacement of the Simplex Security Master Controller and Amending 2016 Facilities Management Capital Budget Page 2

#### FISCAL NOTE:

This resolution authorizes the replacement of the Courthouse Simplex Security master controller. This is a non-budgeted item. Therefore, this resolution authorizes a transfer in of prior year sales tax revenue to cover the cost of this project. There is approximately \$1.9 million in prior years' sales tax revenues available for appropriation.

Sherry Oja Finance Director

#### LEGAL NOTE:

The County Board is authorized to take this action pursuant to secs. 59.01 and 59.51, Wis. Stats. Simplex Grinnell Company is the sole source provider of Simplex Security Master Controller. As an amendment to the adopted 2016 County Budget, this Resolution requires a 2/3 vote of the entire membership of the County Board pursuant to sec. 65.90(5)(a), Wis. Stats.

Jeffrey S. Kuglitsch Corporation Counsel

ADMINISTRATIVE NOTE:

Recommended

County Administrator

Awarding the Contract for the Replacement of the Simplex Security Master Controller and Amending 2016 Facilities Management Capital Budget

The Simplex Security controller at the Courthouse has failed and is proprietary equipment. These controls provide access to doors for the Judges' parking and prisoner cells. Funds to replace this system were not budgeted in 2016.

Given the emergency nature of this purchase to protect the safety of staff and inmates, the County Administrator has under section 2.218(2)(a) of the Purchasing Ordinance authorized awarding a contract in the amount of \$31,663 to Simplex Grinnell of Madison, Wisconsin for replacement of the Simplex Security master controller.

This resolution amends the 2016 Facilities Management budget by increasing the budget \$31,663. A portion of sales tax will be used to fund this project.

Award the Contract for the Courthouse Tower Demolition and Amend 2016 Facilities Management Capital Budget

The Resolution before you approves a contract with American Demolition Corporation of Elgin, Illinois, for \$262,700 for the demolition of the Courthouse Tower.

The Resolution also approves a project contingency in the amount of \$15,000 be established to cover General Services Committee approved Change Orders, and project related costs.

The resolution also amends the 2016 Facilities Management Budget with an increase of \$37,201 and uses portion of the sales tax to fund the remainder of the cost for demolition of the Courthouse Tower.

Facilities Management
- Facilities Maintenance

September 20, 2016

To:

General Services Committee

From: Brent Sutherland, Facilities Management Director

County Board Supervisor Dommershausen asked a question as to why he is not seeing local contractors bidding on projects. I was not prepared to answer his question. The only answer that I could give was that bids are advertised in the paper and online. I also supply Purchasing with a list of reputable vendors that we have used in the past. This was asked while the board was approving roofing projects and masonry repairs. County Board Member, Mr. Owens, also asked if we have any data showing better results since the change was implemented that allows bills to be paid prior to the Committee meeting. I informed Mr. Owens I did not have any data, however, I gave him an example of where this change had allowed Rock Road to submit an invoice and pick up a check before the committee met. I went back and did some checking. I would like to share some of my findings with the board.

- 1. I notified some local vendors that did not bid, for their feed-back.
  - Adams Roofing in Janesville Adams Roofing stated that they did not bid on the project due to their full project calendar. They frequently do smaller projects for Rock County, as time will allow.
  - Cornerstone Construction in Janesville Cornerstone does a lot of brick work. He said he did not bid due to all of the new construction projects he has. He said repair work such as ours, requires one of the higher skilled staff and he could not afford to pull them from their current jobs.
- 2. Some of the out of town vendors, sub contract work to the local vendors. Example;
  - Current parking lot and sidewalk replacement bid awarded to Madrell Inc., out of Monroe and was low bidder. They subcontracted the black top work to Frank Brothers out of Milton and Janesville, and the asphalt sealing and striping to Archambault Asphalt Sealing & Striping out of Janesville.
  - Current Job Center electrical bid- awarded to Gilbank, out of Clinton and was the low bidder. The electrical work was subcontracted to Van Brocklin Electric out of Janesville.
- 3. Attached is a list of our blanket purchase orders. These vendors do work for the County on a regular basis. 43% of our blanket purchase orders are with local vendors.

I spoke with Jodi in Purchasing regarding data showing improved vendor responses due to paying invoices prior to the committee meeting. Jodi said she is not collecting data regarding this change. However, the invoices are getting paid sooner which helps all contractors.
